Re: The South Dayton Dump
1976 Dryden Road
Moraine, Oh 45439
30-Day Information Request

EPA Region 5 Records Ctr.

368969

To Whom It May Concern:

Response to Enclosure 2 Questions:

1. The people consulted in the preparation of the answers to these questions:
Jim Jurgensen – President
Jim Jurgensen II – General Manager
Roy Turton – Dayton Manager
Jim Bonner – Registered Surveyor
Dan Crago – Environmental Manager
2. All company documents were reviewed for relevancy to the subject property at 1976 Dryden Road. We do not have any knowledge of or documentation showing that we disposed of any materials at the South Dayton Dump.
3. All persons with potential information relevant to this site were queried as to any information that might be available.

4. The John R. Jurgensen Company-Commercial Division does not have an EPA Identification Number.
5. We are not aware of any omissions by any persons that may have caused the release or threat of release of hazardous substances, pollutants, or contaminants and damages resulting there from at the South Dayton Dump site.
6. We are not aware of any people that may have generated, used, treated, stored, disposed, or hauled any waste materials to the South Dayton Dump site.
7. We did not dispose of, treat, arrange for the transportation for disposal or treatment of any materials including, but not limited to hazardous substances at the South Dayton Dump site. Sections 7a through 7q are not applicable.
8. A copy of our liability insurance policy is enclosed.
9.
 - a) A copy of the Articles of Incorporation for the John R. Jurgensen Company has been requested. Upon receipt, we will forward the Articles of Incorporation to the Remedial Enforcement Support Section.
 - b) Based on its internal investigation, the John R. Jurgensen Company is not a potentially responsible party at the South Dayton Dump. Although the John R. Jurgensen Company reserves the right to raise any defense in the future, it does not at this time plan to assert an "inability to pay" defense against any potential claims by USEPA for costs associated with the removal or remedial action at the site. Therefore, USEPA's demand for the John R. Jurgensen Companies financial statements for the last five years is premature. We would be interested in receiving copies of any information that the USEPA has that would indicate that the John R. Jurgensen Company is a potentially responsible party.
 - c) See response to 9b above.
 - d) The John R. Jurgensen Company is a subsidiary of Valley Asphalt Corporation.
10. Partnership – Not Applicable
11. Trust – Not Applicable
12. The John R. Jurgensen Company is not leasing any property from Ms. Grillot or Ms. Boesch.

13. The John R. Jurgensen Company has not previously leased any property from Ms. Grillot or Ms. Boesch.

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based upon my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.
